## **Employment Opportunity Position Middle School Math Support**

Type of Position: Part-time, Hourly, Non-Exempt

### **Position Overview**

We are seeking a dedicated and enthusiastic part-time Middle School Math Support Teacher to join our team. This role focuses on supporting students in grades 5–8 through small-group instruction, helping them strengthen foundational math skills, build confidence, and develop greater independence as learners.

### **Key responsibilities**

- Provide targeted math support to students in small groups
- Work in both push-in (within the classroom) and pull-out (outside the classroom) models, depending on student needs
- Collaborate closely with classroom math teachers in grades 5–8 to align instruction and support student progress
- Design and adapt lessons to meet individual student needs and learning styles
- Monitor student progress through assessments and ongoing data collection
- Administer informal and formal assessments as needed
- Communicate clearly and consistently with parents regarding student progress and goals
- Foster a positive, supportive, and upbeat learning environment that encourages growth and confidence
- Motivate and engage students who may find math challenging

### **Qualifications**

- Bachelor's degree required (Education, Mathematics, or related field preferred)
- Experience working with middle school students, particularly those needing additional academic support
- Thorough understanding of the math curriculum in grades 5–8
- Ability to differentiate instruction and tailor lessons to individual learners
- Excellent communication and collaboration skills
- Organized, flexible, and responsive to student needs
- Passion for math and a genuine interest in helping students succeed

*The mission of St. Joseph School is to create a faith-centered community that educates and inspires students to reach their God-given potential.*

**Preferred**

- Experience in both classroom support (push-in) and small-group or individualized instruction (pull-out)
- Comfort with progress monitoring and using data to inform instruction
- Positive, energetic, and team-oriented mindset
- Desire to work in a progressive, collaborative, and high-energy school environment

**Compensation**

Rate \$33.00-50.00 per hour (DOE). St. Joseph School provides a full range of benefits that include medical, dental, and vision insurance (based on FTE), health savings account, flexible spending account, life, AD&D, and long-term disability insurance, employee assistance program, retirement plan with generous employer contributions, paid time off, professional development opportunities, and free lunch.
